

## *You're Invited!*

You're invited to attend the Pennington County Resource Group kickoff meeting. Pennington County Social Services has taken the initiative to lay the foundation for the resource group. Moving forward, the Pennington County Resource Group will guide the development of a user-friendly website for the residents of Pennington County.

The intent of the kickoff meeting is to identify resources and providers to be a part of the collaborative resource website. The early stages of the website will be unveiled at the kickoff with an opportunity to add resource providers. Your expertise is essential to the success of the collaborative resource website.

We encourage you to bring informational materials on your agency/service/organization to share with the group. A limited amount of time will be set aside for resource providers to share information about their agency if desired.

**The kickoff meeting will be held Tuesday, April 18<sup>th</sup> from 1:00-3:00 p.m. at the Lincoln High School Training Center (101 Knight Ave S., Thief River Falls, MN).**

Similar resource websites have been developed or are currently under development in other counties including Norman, Marshall, Polk, Mahnomen, Red Lake and Kittson. To view the operational sites, please visit: [nwmnresources.org](http://nwmnresources.org).

If you would like more information regarding Pennington County Resource Group, please contact: Melissa Beach, contracted facilitator for Pennington County Resource Group at 701.793.2161 or [Melissa@NavigateWithCompass.com](mailto:Melissa@NavigateWithCompass.com) or Ken Yutrzenka, Pennington County Social Service Director at [kcyutrzenka@co.pennington.mn.us](mailto:kcyutrzenka@co.pennington.mn.us).

We hope to see you at the kickoff meeting.
